

Missions Sunday Discussion Guide

Take a few minutes to reflect on what you saw and heard during our Missions Weekend. Were there any stories or moments that stood out to you?

In Paul's letter to the church in Philippi, he writes that "it is God who works in you to will and to act in order to fulfill his good purpose." What kinds of implications does this verse have for our lives? What does this imply about the way God leads those who follow him?

Has there ever been a time when you thought God wanted you to do something and you did it? Describe what made you think it was God speaking to you. How did you feel once you did it?

What are some excuses we make to avoid doing something God may be asking us to do?

God will do amazing things in and through us in spite of our lack of finances, free time, talents, and qualifications. **All he requires from us is the willingness to say "yes."**

In the video on Sunday, we heard several different stories of individuals who took what they believed God was asking them to do and shared it with the members of their small groups. What are some ways the members of your small group can support one another in similar ways?

Take a few minutes to pray about what God might be asking of you individually and as a group. Where might he be asking for your "yes?"
